# Liquidity Short-Term Medium-Term Funds

## Fund Objective

CalTRUST™ is a California public agency, created by and for California public agencies, to provide efficient, convenient, and professionally managed investment solutions.

Each of our accounts seek to attain as high a level of current income as is consistent with the preservation of principal by investing only in high-quality, fixed-income securities. All CalTRUST accounts comply with the limits and restrictions placed on local investments by California statutes; no leveraging is permitted in any of the CalTRUST accounts.
